VISION

Gone are the days for the plain and mono checkered uniforms for schools. Keeping in mind the current trend and fashion needs, we bring to you contemporary & modern uniforms to compliment today's generation .We aspire to design, produce and manufacture fabrics for uniforms and workwear which is likable and wearable!

Future Plans – Functional Fabrics

Understanding the current market and customer needs, we at ***ADINATH UNIFORMS*** *relentlessly work towards evolving our products to cater to modern times. Uniforms are clothes which are worn for good 8 hours and we want to create the safest possible environment for your body. We have successfully worked towards designing, producing and manufacturing anti-bacterial and odour free school as well as hospital uniforms. India being a tropical country and the ever-soaring temperatures cause a lot of sweating, causing discomfort and foul odour. Keeping this in mind, we have developed sweat absorbent fabrics with moisture management technology which makes uniforms effective, odourless and extremely comfortable to wear for long hours*
