Future Plans – Functional Fabrics

Understanding the current market and customer needs, we at ***ADINATH UNIFORMS*** *relentlessly work towards evolving our products to cater to modern times. Uniforms are clothes which are worn for good 8 hours and we want to create the safest possible environment for your body. We have successfully worked towards designing, producing and manufacturing anti-bacterial and odour free school as well as hospital uniforms. India being a tropical country and the ever-soaring temperatures cause a lot of sweating, causing discomfort and foul odour. Keeping this in mind, we have developed sweat absorbent fabrics with moisture management technology which makes uniforms effective, odourless and extremely comfortable to wear for long hours*
